

## **Public Disclosure Scheme of UPSC**

Since the year 2018, the UPSC has been publishing the details of non-recommended (Candidates who qualify the written examinations but are not recommended after the interview) willing candidates of the Commission's Examinations under the Public Disclosure Scheme (PDS) on its website, linked to the National Career Service (NCS) Portal of the Ministry of Labour and Employment.

Also, the Commission conducts 10 regular examinations every year and recommends 6,400 successful candidates for appointments in various services. However, approx. 26,000 candidates, who have cleared the rigorous written examinations, are declared not successful. **The Scheme was launched with a view to provide employment to these talented young people in PSUs and Private Companies.** To streamline the process and widen the scope of PDS, the UPSC has launched a dedicated portal with the following URL: <https://upsconline.nic.in/miscellaneous/pdoiac/>
